Actually - I thought if the book was good enough and it covered the questions in the brochure, that I wouldn't need to take the time to go to the conference.

The conference in April in Atlanta "World-Class New Product Development" - you asked me to order a book - the brochure says a complimentary copy of the book will be given to each forum participant. Do you still want me to order book so you'll have it ahead of time?

Ken:

I have a meeting from 11:30-12:30 on Monday the 29th. Gloria is not aware of it because Joy did arrangements. I have invited the Sr. Team as it relates to the A2 sec. job grading. I need to take care of this now.
